

ISEAC 5 Call for Sponsors and Exhibitors

The 5th International Symposium of Environmental Analytical Chemistry (ISEAC 5 - Asia) is organized by the Vietnam National University-Ho Chi Minh City (VNU-HCM), Ho Chi Minh City University of Technology (HCMUT), Industrial University of Ho Chi Minh City (HUI), and the International Association of Environmental Analytical Chemistry (IAEAC).

The goal of the symposium is to provide a forum for established and young professionals from academia and industry, such as laboratory scientists, authority managers, senior analysts, members of field sampling management organizations, and food control laboratory scientists, to advance and exchange knowledge in all aspects of environmental and food monitoring.

This year's symposium will provide a special visibility for the sponsors because:

- It is held in Ho Chi Minh City, in the close proximity major buyers and users of analytical and environmental instruments, such as universities, institutions, and enterprises.
- it is the anniversary, 5th edition of the symposium
- it will include invited talks related to collaboration among academia, industry and government

We believe that it is of great benefit for your company to be associated with the symposium in order to gain the international visibility and recognition your company deserves.

You can support ISEAC 5 in multiple ways. Please select one or more sponsorship categories from the list below, or simply contact the organizing committee to discuss multiple ways in which you can introduce your company to the audience and contribute to the success of the symposium.
